

Australia's Artificial Intelligence Ethics Framework

Date published: 7 November 2019

PUBLISHER

Department of Industry, Science and Resources

The Artificial Intelligence (AI) Ethics Framework guides businesses and governments to responsibly design, develop and implement AI.

It's part of the Australian Government's commitment to make Australia a global leader in responsible and inclusive AI. For Australia to realise the immense potential of AI we need to be able to trust it is safe, secure and reliable.

Explore the ethics framework

Australia's AI Ethics Principles

(<https://www.industry.gov.au/publications/australias-artificial-intelligence-ethics-framework/australias-ai-ethics-principles>)

Consider these voluntary principles to ensure AI is safe, secure and reliable.

Applying the AI Ethics Principles

(<https://www.industry.gov.au/publications/australias-artificial-intelligence-ethics-framework/applying-ai-ethics-principles>)

Follow the principles whenever you design, develop and implement AI systems.

Testing the AI Ethics Principles

(<https://www.industry.gov.au/publications/australias-artificial-intelligence-ethics-framework/testing-ai-ethics-principles>)

Some of Australia's biggest businesses trialled the principles in a pilot program.

Developing the AI Ethics Framework and principles

(<https://www.industry.gov.au/publications/australias-artificial-intelligence-ethics-framework/developing-ai-ethics-framework-and-principles>)

We asked the public for input and will continue to monitor as AI technology matures.

Show transcript

Read case studies

Businesses prepared case studies and summaries to share what they learnt. The Australian AI Ethics Principles are voluntary and businesses can choose to apply them in different ways.

ACKNOWLEDGEMENT OF COUNTRY

Our department recognises the First Peoples of this Nation and their ongoing cultural and spiritual connections to the lands, waters, seas, skies, and communities.

We Acknowledge First Nations Peoples as the Traditional Custodians and Lore Keepers of the oldest living culture and pay respects to their Elders past and present. We extend that respect to all First Nations Peoples.
