Innovation superclusters : applicant guide : phase II full application.

"The Applicant Guide was developed to assist in putting together an application for funding for the Innovation Superclusters Initiative (ISI). This document includes instructions for preparing a Full Application and provides guidance on the information to be included. The goal of the ISI is to drive growth and prosperity by generating new and improved employment opportunities, increasing skills and specialized knowledge in the Canadian workforce and growing globally competitive Canadian-based firms and technologies"--Introduction, p. 4.
